Message From The Pastor

Wow! I have been so encouraged lately. I have to admit. I didn't voice it earlier in the year but I was a bit concerned before that. I was a bit "worried" about how things were going around here.

The attendance had dropped off considerably. The wallets & pocketbooks seemed like they had been squeezed very tightly as giving decreased. There seemed, to me, to be a spirit of complacency in our congregation.

But, praise God, things are looking up! Both the attendance & giving has picked back up! There's liveliness in our worship. And even better still... people are making life-changing decisions for Jesus.

From mid-February until the end of March, we have seen 8 people join our church and 6 baptized. Those numbers are almost exactly the same numbers as what we saw in the last two years! Praise the Lord!

But, church, let's not get complacent again. Let's keep the Spirit moving in our midst. Keep coming! Keep giving! Keep your relationship & your walk with the Lord fresh & vibrant! And make sure you keep praying for God to do something even greater at Coronaca Baptist.

Oh, how I would just love to see 30 join our church this year. Oh, how I would love to see that same number baptized! And there is still plenty of opportunity as VBS & other ministry outreaches & opportunities await us throughout the remainder of the year.

Will you join me in praying for a revival in our church? Will you join me in making a commitment to follow the Lord wholeheartedly? Will you join me in promising to use those spiritual gifts given us by the Holy Spirit? Let's get involved in serving in various places of ministry like VBS?

Let's not just be a comfortable & complacent church! Let's be the church that God is happy & pleased with. Let's be the hands, feet, & mouth of Jesus! Will you join me? I pray that you will!

Excited About The Revival Ahead!!!!

Todd
