# Message from the Pastor

I would like to begin by thanking all of our leaders, workers, teachers, & listeners for all you've done...once again year after year...with our AWANA program. As I write this article, last night I was blessed once again to see our AWANA family night.

This is the program where our children demonstrate some of the things they've learned throughout the year like Bible stories & verses. They also receive their awards for reaching certain levels in their curriculum.

I am always blessed in seeing this program because it demonstrates several things to me. It gives me the opportunity to see you, the church, being & doing what she is supposed to be doing.

Those in AWANA are ministering. They're teaching. They're evangelizing. They're making disciples of Christ. They're leading boys & girls toward personal decisions for the Lord Jesus Christ. And that is makes this pastor very happy! Even more importantly, it brings joy to our great God!

And speaking of our children, please let me remind you of what is in store for the children this summer. Some kids seem to think there's nothing going on for them after AWANA finishes but that is NOT the case.

Every Wednesday night during the summer (except for July 5<sup>th</sup>) there will either be a regular Bible study at 7PM or some special event for the children. Along with that there will be at least two pool parties, a "Back To School Bash", & VBS. Parents & grandparents, please make sure to get your kids involved.

It's going to be an awesome summer! You can get schedule information in our monthly newsletter, in our weekly bulletins, or by texting: @just4kidz to 81010. This will give you reminders & scheduling information.

Our children & youth are so important. Please be praying for them. We want to see them make decisions for Christ!

Cheering For Our Children

*Todd*
